

Gitmo Beach Vacation Resort:

Is the sound of daisy cutters keeping you up all night? Are you tired of sleeping in that cold dark cave wondering if and when you will ever eat again? Did the boss skip town and leave you holding the bag? Is the Northern Alliance causing you more grief than camel hairs in your milk?

We have just the thing for you!

Gitmo Resorts in collaboration with the US military is proud to offer this once in a lifetime opportunity. If you are or have been a member in good standing with either the Taliban or Al Qaeda then you could be the lucky recipient of a luxurious vacation in beautiful Guantanamo Bay Cuba.

To see if you qualify, simply visit one of the US Marine detachments located conveniently near your cave. If you are selected then you will be whisked away in one of our finest, state of the art, transport planes. Upon arrival at the Gitmo Resort you will be pampered beyond your wildest dreams.

Worried about what to wear? No problem! We will furnish you with a brand new wardrobe at our expense. We will even provide plenty of hot water for showers that were at one time only a dream for you and your buddies.

You can forget about sleeping on the hard ground of that cave with barely a blanket to cover you. All of our guests sleep on top quality mattresses while enjoying the comforts of a modern climate controlled environment.

You will be the envy of all your friends back in Afghanistan as you relax in a tropical paradise and eat three square meals a day.

Worried about security? No need to worry about that. Our armed guards will be with you 24/7.

You can forget about that pesky Northern Alliance and devote all of your attention to Allah. We will even provide signs that point the way to Mecca.

Just listen to what Amhad "The Goat" Rushoubi is saying about his stay at the resort.

"I joined Al Qaeda after a blind date in Kabul went terribly wrong. I thought the Al Qaeda would give me a sense of fulfillment. After many months of living in the cold with very little to eat, I decided to try the Gitmo Getaway package."

"It was more than a pleasant surprise to see real Fruit Loops for the first time. They taste so much better than month old goat cheese.

"The people here think of everything. Some of the security people are women who do not cover their faces! I got very excited when I saw them."
